## DRIVING LICENCE

**Driving Licence:** BE

## CERTIFICATIONS

**Udemy, 06/12/2025**

### AI Vibe Coding

AI Vibe Coding

Completed an intensive hands-on program focused on building functional web applications using AI-assisted coding tools. Learned to convert project ideas into working prototypes through prompt-based development, streamline app creation without manual coding, and manage the full cycle from concept to deployment. Gained practical skills in AI-driven planning, directing, and prompt engineering to efficiently develop real web apps as a non-developer.

**Mode of learning:** Online
